Projetechn, a business partner of IBM since February of 2006, has become the first IBM Authorized Independent Training Provider (AITP) focused on Maximo software.

IBM has selected Projetechn as the first IBM Business Partner to become certified to teach IBM Maximo classes. Projetechn instructors are now certified to teach official IBM Maximo classes either at the Projetechn Cincinnati location, onsite at a client location, or at an IBM facility.

Syllabi for all classes are available on the Projetechn website. You can register for any of these classes on the Projetechn website or by calling (513) 481-4900 or (800) 611-2884 or emailing a request to [training@projetechn.com](mailto:training@projetechn.com).

If you would like a dedicated Training Class or Workshop, please call our office to schedule it.

- Dedicated classes at Projetechn
- Dedicated classes at your Site (We also have laptops available for rent for classes at your site.)
- Dedicated Instructor-Led Online classes (ILOL)
- Dedicated Self-paced Online classes (SPOL)

**Projetechn also offers Coaching Sessions.** These sessions allow up to two trainees to spend time with one of our instructors at a date that is mutually agreeable. The attendees can choose to use the standard syllabus, or request modifications in advance, based on their needs. We offer coaching at Projetechn, at your site, or online. Please call for pricing.
