

News Release

FOR IMMEDIATE RELEASE

Projetech will be exhibiting at the following shows:

Maximo World, Orlando, FL, July 22-25, 2007 - Booth 4

15th Annual Society of Maintenance and Reliability Professionals, Louisville, KY, October 7-10, 2007 - Booth 410

PROJETECH INC. EXHIBITS AS A CORPORATE SPONSOR AT MAXIMO WORLD

Cincinnati, OH, July 16, 2007 – Maintenance and reliability professionals attending Maximo World 2007 in Orlando, Florida at the Walt Disney World Dolphin Hotel on July 22-25, 2007 will have an opportunity to interact with Projetech, Inc. - a certified Maximo® reseller and leading service provider of strategic asset and service management solutions.

Projetech specializes in helping companies of all sizes control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

"This year we have bumped up to Corporate Sponsor status at Maximo World," says Projetech Marketing Associate Jeanne Cost. "This will be a perfect opportunity for us to interact with fellow IBM partners and Maximo users. This conference will give Maximo users the opportunity to visit our booth and ask our Maximo experts questions ranging from Maximo troubleshooting to upgrading to Maximo 6."

Maximo World attendees will be able to hear Projetech President/CEO Steve K. Richmond speak on the topic of Maximo Software as a Service (SaaS). The presentation will be Tuesday, July 24th at 10:00am at the Cyber Café.

Maintenance and reliability professionals will also have an opportunity to learn more about Projetech's proprietary eMaintenance® web-based service, Maximo 6 software, Maximo training and consulting support, and even demo the latest version of Maximo.

About Projetech

Projetech provides asset and service management solutions through their proprietary eMaintenance web-based service, as well as Maximo training and consulting. Projetech is an IBM/MRO Software Channel Partner and sells licenses for IBM/MRO Maximo 6 Software.

Projetech enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management

of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projotech has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
