PROJETECH INC. HIRES CHRIS WINSTON AS INSTRUCTOR/PROJECT MANAGER

Cincinnati, OH, March 15, 2008 – Projetech, Inc, a fast-growing, Cincinnati-based partner, provider, and seller of IBM Maximo® Software, has welcomed Chris Winston as Instructor/Project Manager.

“I am very excited to have Chris on our staff Full-time as an Instructor/Project Manager,” says Director of Operations, Debbie Herbers, “He has a strong background of excellence, and is a seasoned veteran in all things Maximo.”

Chris is a graduate from Illinois Institute of Technology with a Bachelor of Science Degree in Mechanical Engineering. His extensive IT background includes System Administration work, System Engineering, and much more, having many hands-on experiences with Maximo implementations in many different industries. Chris is frequently handling multiple tasks such as regularly serving as functional lead for implementations gathering user requirements, merging with off the shelf functionality and customizing only as last resort, testing and taking systems live.

Chris has been an independent consultant with Projetech on a project basis for the past four years. In his spare time he is regularly presenting and/or authoring technical papers in different implementation areas. He also is an IBM Maximo 5 EAM Certified Consultant, and an IBM Maximo 6 EAM Certified Consultant.

“I look forward to working with Projetech on a full time basis,” says Winston, “Projetech has a great reputation in the Maximo community, and I am proud to be a part of the team.”

About Projetech

Projetech provides asset and maintenance management solutions utilizing Maximo; an Enterprise Asset Management (EAM) software. Projetech enables professionals in a variety of industries to control costs and improve efficiency

through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

In addition to web-based eMaintenance® Software-as-a-Service (SaaS), Projetechn offers Maximo hosting, and Maximo System Administration. Maximo training and consulting are also available in a Projetechn classroom, online, or onsite.

Projetechn is an IBM Advanced Business Partner, an IBM authorized reseller of Maximo, and is an authorized provider of support. Projetechn is also the first IBM Authorized Independent Training Provider (AITP) Partner specializing in Maximo.
