PROJETECH INC. JOINS THE 35th ANNUAL EASTERN GAS COMPRESSION ROUNDTABLE IN PITTSBURGH, PA

Cincinnati, OH, May 7, 2007 — Maintenance and reliability professionals attending the 35th Annual Eastern Gas Compression Roundtable in Pittsburgh, Pennsylvania at Robert Morris University on May 7-10, 2007 will have an opportunity to interact with Projotech, Inc. - a certified Maximo® reseller and leading service provider of strategic asset and service management solutions.

Projotech specializes in helping companies of all sizes control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

“Mack Parrott, one of our Maximo 6 Certified Project Manager/Instructors with a strong background in the gas and pipeline industry will be exhibiting at the show.” says Projotech Marketing Associate Jeanne Cost. “This will be a perfect opportunity for anyone in that industry to ask him questions ranging from Maximo troubleshooting to upgrading to Maximo 6.”

Maintenance and reliability professionals will also have an opportunity to learn more about Projotech’s proprietary eMaintenance® web-based service, Maximo 6 software, Maximo training and consulting support, and even demo the latest version of Maximo.

About Projotech

Projotech provides asset and service management solutions through their proprietary eMaintenance web-based service, as well as Maximo training and consulting. Projotech is an IBM/MRO Software Channel Partner and sells licenses for IBM/MRO Maximo 6 Software.

Projotech enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projotech has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
