- *16th Annual Society of Maintenance and Reliability Professionals Conference, Cleveland, OH, October 19-22, 2008 (Booth 112)*

PROJETECH INC. EXHIBITS AT IBM PULSE 2008 CONFERENCE IN ORLANDO

Cincinnati, OH, May 15, 2008 — Maintenance and reliability professionals attending IBM Pulse 2008 in Orlando, Florida at the Walt Disney World Swan and Dolphin Hotels on May 18-22, 2008 will have an opportunity to interact with Projetech, Inc. - a provider of IBM Maximo services, certified Maximo® software reseller, IBM Advanced Business Partner, and the first IBM Maximo Authorized Independent Training Provider.

Projetech specializes in helping companies of all sizes control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

“This conference will be an important one for Projetech,” says Projetech Marketing Associate Jeanne Cost. “Not only are we going to be demonstrating Mobile Work Manager live at the show, along with discussing Maximo 4 De-support options, but we will be learning and growing as an IBM Advanced Business Partner. We encourage Maximo users to visit our booth (E-105) and ask our Maximo experts questions ranging from Maximo services, implementations, upgrading, or learning about our new IBM Certified training options.”

Maintenance and reliability professionals will also have an opportunity to learn more about Projetech’s Software as a Service (SaaS) eMaintenance® web-based service, Maximo 6 software, Maximo training and consulting support, and even demo the latest version of Maximo.

About Projetech

Projetech provides comprehensive asset and maintenance management solutions utilizing Maximo and offers their proprietary eMaintenance service, which is web-based. Maximo training and consulting is also available from the company. Projetech is an IBM authorized reseller of Maximo and is an authorized provider of support. Projetech is also the first IBM Authorized Independent Training Provider (AITP) Partner specializing in Maximo.

Projetech enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management

of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projetechn has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
