FOR IMMEDIATE RELEASE

PROJETECH, INC. GROWS LARGER WITH ADDITION OF JEANNE COST AS MARKETING ASSOCIATE

Cincinnati, OH, November 30, 2006 - Projetechn, Inc, a fast-growing, Cincinnati-based partner, provider, and seller of IBM Maximo® Software, has welcomed Jeanne Cost as Marketing Associate.

"Since we have begun selling Maximo® software licenses, Projetechn has been growing tremendously and we have had a need for a new addition to our Business Development team," says Tanya McCall, VP of Sales.

Cost, a graduate of Xavier University with a BA in Advertising, comes from an advertising agency background and brings her agency perspective to Projetechn. Her roles include branding, public relations, website management, event marketing, and internal marketing support.

"It is really exciting to be working for such a great company that is quickly becoming the leader in the Enterprise Asset Management industry," says Cost, "I look forward to applying the advertising, branding, and marketing skills that I have utilized at an agency, and continuing the growth of Projetechn in the Business Development Group."

About Projetechn

Projetechn provides asset and service management solutions through their proprietary eMaintenance® web-based service, as well as Maximo® training and consulting. Projetechn is a MRO Software Channel Partner and sells licenses for IBM/MRO Maximo® Software for version MXES.

Projetechn enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projetechn has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
