PROJETECH INC. HIRES JEFF MACINNIS, MCSE AS SYSTEM ADMINSTRATOR

Cincinnati, OH, February 15, 2008 – Projetechn, Inc, a fast-growing, Cincinnati-based partner, provider, and seller of IBM Maximo® Software, has welcomed Jeff MacInnis as System Administrator.

“I am very excited to have Jeff on our staff as our System Administrator,” says Director of Client Support, Nancy Hern, “He has a strong background of excellence, and will be a great addition to our tech team.”

MacInnis is a graduate from University of Phoenix majoring in Information Technology. His extensive IT background includes System Administration work, System Engineering, and much more, having many hands-on experiences with server administration.

“I look forward to working with Projetechn,” says MacInnis, “I am eager to begin configuration and maintenance of the Maximo/Websphere/Actuate environments.”

About Projetechn

Projetechn provides comprehensive asset and maintenance management solutions utilizing Maximo and offers their proprietary eMaintenance service, which is web-based. Maximo training and consulting is also available from the company. Projetechn is an IBM authorized reseller of Maximo and is an authorized provider of support. Projetechn is also the first IBM Authorized Independent Training Provider (AITP) Partner specializing in Maximo.

Projetechn enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projotech has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
