NANCY HERN PROMOTED TO DIRECTOR OF CLIENT SUPPORT AT PROJETECH, INC.

Cincinnati, OH, October 11, 2007 - Ms. Nancy Hern, previously the Pre-Sales Support Manager at Projetechn in the Business Development group now heads her own department - The Client Support group, staying within Projetechn.

"Numerous clients depend on Projetechn for timely, informed Maximo support, so our focus must remain on exceeding our customer's expectations," says President and Owner of Projetechn, Steve Richmond, "Under Nancy's capable direction I expect great things from our support organization as we continue to grow the business. "

Hern has achieved her Maximo 6 ITSM Certification proving she is up to IBM standards of excellence. Hern has been an employee of Projetechn for over 5 years.

About Projetechn

Projetechn provides comprehensive asset and maintenance management solutions utilizing Maximo and offers their proprietary eMaintenance service, which is web-based. Maximo training and consulting is also available from the company. Projetechn is an IBM authorized reseller of Maximo and is an authorized provider of support. Projetechn is also the first IBM Authorized Independent Training Provider (AITP) Partner specializing in Maximo.

Projetechn enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projetechn has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
