PROJETECH WEBSITE FEATURED AS SITE OF THE DAY ON MAXIMO USER GROUP SITE

Cincinnati, OH, March 20, 2007 — Maximo-Users.net is a popular resource site that allows the Maximo user community to easily communicate with other Maximo users and maintenance professionals from all around the world. On March 20th, the site featured www.projotech.com as the Site of the Day.

"We are excited to be featured on their website," says Marketing Associate Jeanne Cost, "We see Maximo-Users.net as a valuable resource, so this is really an honor."

Maximo-Users.net also features an advanced [Discussion Forum](#), [Resource directory](#) and many other helpful links making it one of the top Maximo and maintenance resources available.

The screenshot shows the website www.MAXIMO-Users.net in a Microsoft Internet Explorer browser window. The address bar shows the URL. The page has a blue header with navigation links: Home, News, Previous News, Share Your MAXIMO Tip, Recommend Us, and Bookmark Us. The main content area is titled "News" and dated "Tuesday, March 20". A prominent banner for "MAXIMO-Users.net" is displayed, along with a "Site of the day" section featuring "Projotech, Inc." from Cincinnati, Ohio. Below this, there is a "MAXIMO - Tip of the week" section with a yellow background, providing advice on logging into MAXIMO version 4.0.2.1. The left sidebar contains various navigation categories like "Discussion Forum", "Shared Files", "Resources", and "Maintenance Books". The Windows taskbar at the bottom shows the Start button and several open applications.

About Projotech

Projotech provides asset and service management solutions through their proprietary eMaintenance web-based service, as well as Maximo training and consulting. Projotech is an IBM/MRO Software Channel Partner and sells licenses for IBM/MRO Maximo 6/MXES Software.

Projotech enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projotech has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
