PROJETECH INC. EXHIBITS AS A SPONSOR AT RELIABILITY CENTERED MAINTENANCE/ENTERPRISE ASSET MANAGEMENT 2008 CONFERENCE IN LAS VEGAS

Cincinnati, OH, January 25, 2008 – Maintenance and reliability professionals attending Reliability Centered Maintenance/Enterprise Asset Management (RCM/EAM) 2008 Conference in Las Vegas, Nevada at the Orleans Hotel and Casino on March 18-20, 2008 will have an opportunity to interact with Projetech, Inc. - a provider of IBM Maximo services, certified Maximo® software reseller and the first IBM Maximo Authorized Independent Training Provider.

Projetech specializes in helping companies of all sizes control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

“This conference will be an exciting one for Projetech,” says Projetech Marketing Associate Jeanne Cost. “We are going to be demonstrating Mobile Work Manager live at the show, along with discussing our new IBM AITP Training Provider status, and of course we will be giving away incredible, Vegas-themed Projetech prizes to attendees at the Projetech booth (Booth 35). We encourage Maximo users to visit our booth and ask our Maximo experts questions ranging from Maximo services, implementations, upgrading, or learning about our new training options.”

Maintenance and reliability professionals will also have an opportunity to learn more about Projetech’s proprietary eMaintenance® web-based service, Maximo 6 software, Maximo training and consulting support, and even demo the latest version of Maximo.

About Projetech

Projetech provides comprehensive asset and maintenance management solutions utilizing Maximo and offers their proprietary eMaintenance service, which is web-based. Maximo training and consulting is also available from the company. Projetech is an IBM authorized reseller of Maximo and is an

authorized provider of support. Projetechn is also the first IBM Authorized Independent Training Provider (AITP) Partner specializing in Maximo.

Projetechn enables maintenance and reliability professionals from companies of all sizes to control costs and improve efficiency through effective management of facilities, equipment, transportation fleets, maintenance personnel and IT assets.

Established in 1990, Projetechn has assembled a focused staff of industry experts to support maintenance and reliability professionals throughout North America.
